

NEW OFFICE LOOK

Same Great Team

Our new COVID-19 protocols for re-opening

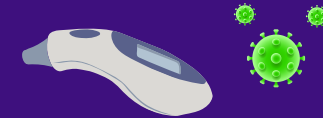

ENHANCED PPE

Staff will wear PPE (e.g, high filtration masks, gloves, gowns and face shields.)

FACIAL COVERING

Anyone entering our office **MUST** wear a face mask.

SCREENING FOR COVID - 19

Screening questions and temperature readings will be performed on all staff, patients, and visitors prior to entering our office.

APPOINTMENT PROTOCOL

Call or text when you arrive. We will call you when your seat is ready; only the patient, and if minor, one guardian will be allowed in office.

HAND HIGIENE

You will be asked to use our hand-washing station when entering our office. Hand sanitizer will also be available throughout the office.

UPDATED OFFICE ENVIRONMENT

For your protection we have installed new air filtration systems, clear plastic barriers, and have removed toys/magazines in the waiting room.

VIRTUAL APPOINTMENTS
